

REMARKS

Responsive to the requirement for restriction,
applicants elect Group I, drawn to an electronic still camera.

Responsive to the requirement for election of species,
applicants elect Species II, Figs. 8-19.

It is believed that claims 29, 42 and 53-55 are
readable on the elected embodiment.

As the allowance of the claims subject to examination
would not result in the examination of claims 38-41 or 46-52,
these latter claims are canceled herewith but may be made the
subject of a divisional application to be filed at any time
during the pendency of the present application.

An action on the merits of the elected claims is
respectfully requested.

Respectfully submitted,

YOUNG & THOMPSON
